POST-PANDEMIC PARISH SUPPORT

STRATEGIZING HOW TO REOPEN YOUR PARISH IN A POST-COVID-19 WORLD

With many dioceses preparing to lift the suspension of public Masses in the next few weeks, the list of considerations for an individual parish is extensive. Regardless of where you are in your process, Catholic Leadership Institute would like to help you develop your plan and support you during this challenging time.

Catholic Leadership Institute will provide a consultant free of charge to help your parish brainstorm, strategize and develop your reopening plan.

QUESTIONS THAT MIGHT BE ON YOUR MIND

How do we use our facilities to comply with state or local requirements and create community?

How can I engage volunteers in a meaningful and safe way as we reopen the parish?

How can the parish safely handle sacraments in a new environment?

What plans can we put into place for sacramental prep and religious education for the Fall?

How do we increase two-way communication with our parishioners?

What are some best practices for maintaining stewardship and outreach in this climate?

WHAT SUPPORT IS AVAILABLE TO PARISHES?
