

Models of Parish Vitality

Breakout Session #1

- **Question 1** - The pre-session feedback yielded open questions around two foundational areas: Community and Vocations. Discuss your reaction to these areas as a parish function or a fruit.
- **Question 2** - In looking at the model with additions from the pre-session feedback, how might you prioritize, simplify or streamline the “what’s” and “how’s” in order to make this more accessible and simpler for parishes?
